this formula**

RANGE LAYERS PELLETS & MASH

Made to the highest standards,
our classic layers pellets and mash offer
the best quality at a great price.

A complete feed for
laying hens from 3
weeks prior to point
of lay.

Available as
5kg or 20kg.

CHICK STARTER MICRO PELLETS

A complete feed for chicks up to 5/6 weeks of age.

Micro pellets get the bird used to eating a pellet right from the start and are easier to feed out and handle than crumbs. The birds waste less feed and chicks find them easier to see and eat, improving intakes.

With inclusion of Eimericox, giving chicks a natural and herbal protection at the start of their life.

Available as 5kg or 20kg.
