Get your dog on parade

Mini-Bite

A grain-free Chicken & Sweet Potato complete pet food for small dogs.

This premium hypoallergenic kibble is a smaller size, making it the perfect choice for small dogs and ideal for sensitive stomachs. This grain-free recipe helps to promote oral health whilst vitamins and minerals maintain a healthy immune system.

Duck & Potato

A super premium, grain-free, complete pet food ideal for adult dogs with sensitive stomachs.

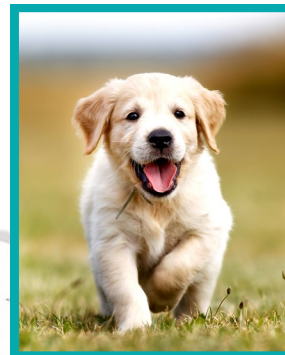

This feed offers a single protein source, with no added grains. This hypoallergenic kibble is ideal for Dogs with sensitive stomachs. The potato Content provides a highly digestible source of carbohydrates. With Omega-3 and 6, Zinc and Biotin. **Adult Salmon & Potato is also available.**

Premium Puppy

A complete super premium pet food for puppies and young dogs.

With added prebiotics which act to promote digestion through the growth of healthy gut bacteria and the added benefit of Glucosamine, MSM and Chondroitin Sulphate. When combined, these three ingredients will encourage joint repair and mobility in your puppy.

Large Breed Puppy is also available.

Large Breed

A Chicken and Rice complete pet food for large breed adult dogs.

Specially formulated without wheat or wheat gluten to provide a complete hypoallergenic diet. This kibble promotes joint mobility and provides the correct ratio of protein to fat to ensure ideal growth for your large breed dog.

Lamb & Rice

A complete hypoallergenic premium pet food for adult dogs.

Formulated to provide a complete diet which is highly palatable and digestible to your pet. It contains a full complement of vitamins and minerals along with Omega-3 and 6, Zinc and Biotin to support a healthy skin and coat.

Adult Turkey or Chicken & Rice is also available.

Senior/Light

A complete pet food for senior and overweight dogs.

Specially formulated for the senior canine because it contains Glucosamine, MSM and Chondroitin Sulphate which help to promote joint repair and mobility. It has the correct ratio of protein to fat to ensure a low calorie content which acts to prevent weight gain.
